15375	FLETCHER, J.R.	Deliberate Homicide; Escape; Possession of a Weapon	12/25/2000	A
Disposition: Parole denied. Reappear 11-2019. The Board commends you on your substantial period of clear conduct, institutional adjustment, and minimum custody level. The Board notes that at your November 2014 hearing, you presented a copy of a letter from 1982 purporting to be from your wife recanting her previous testimony, as evidence of your innocence. This supports the Board's believe that you refuse to accept responsibility for the crime. Release at this time would reward your diminished sense of culpability. In the Board's opinion, your release is not in the best interests of society due to your atrocious criminal record dating back to 1976, escape from prison by overpowering corrections officials shortly after reception at Montana State Prison, and the monumental amount of letters and emails of opposition received from the victim's family and the citizens of Montana. The Board believes that release at this time would be disruptive to the community. Continue to participate in any programs, educational or training opportunities available within the prison, whether determined necessary by prison staff or professionals, or on a voluntary basis. No early consideration.
