Disposition: Adm. Decision: The BOPP conducted a parole hearing in this case on November 22, 2021. No opposition to parole was presented at such hearing. To date, the DOC has not approved the officer's parole plan. Following the November 22, 2021 parole hearing, the BOPP received significant opposition to parole (or to the offender's plan to reside in Flathead county) from the community and criminal justice authorities. Applicable statute requires the BOPP to consider whether parole is in the offender's best interest and in the community's best interest. The offender's due process rights also include his notice of and consideration of opposition to his parole plan. Accordingly, the BOPP will set this case for a rescission hearing at the earliest possible date.
